[INCLUDE ACCEPTANCE CRITERIA AGAINST WHICH THE ACCEPTANCE PROCEDURE DESCRIBED IN 4 B MAY BE CARRIED OUT; PLEASE BE SPECIFIC IN

DEFINING THE ACCEPTANCE CRITERIA, AS THIS CONSTITUTES A MAJOR AREA FOR DISPUTES BETWEEN CI AND SERVICE PROVIDERS]

- b. Acceptance. In the event that a Deliverable meets CI's acceptance criteria, CI shall notify the Service Provider via email that such Deliverable has been accepted. In the event that a Deliverable does not meet CI's acceptance criteria, CI shall advise the Service Provider via email as to which aspects of the Deliverable require revision. Service Provider shall implement such revisions in accordance with CI's instructions and deliver the revised Deliverable to CI for review within **[INCLUDE APPROPRIATE AMOUNT OF BUSINESS DAYS]** business days following receipt by Service Provider of the revision request. CI may request that this process be repeated for as many times as necessary to meet the acceptance criteria. Time spent on necessary revisions to meet acceptance criteria may not be charged to CI, unless authorized in writing by CI.
- c. Time is of the Essence. Service Provider shall perform the Services in strict compliance with the Delivery Schedule set forth in Appendix 1. Time is of the essence with respect to all aspects of this Agreement and the subject matter hereof.
5. Termination. Either party may terminate this Agreement at any time upon ten (10) days prior written notice. In such event, Service Provider shall provide to CI all deliverables (including all embodiments thereof) completed or partially completed up to the effective date of termination to CI in a format and medium specified by CI, and CI shall pay a pro-rated fee for all Services provided by the Service Provider in good faith prior to the effective date of termination. Any payment effected by CI in excess of the pro-rated fee due on the effective date of termination shall be returned by the Service Provider immediately upon request by CI. If CI terminates this Agreement due to a material breach by Service Provider or due to the Service Provider's failure to perform any of the Services to CI's satisfaction, CI may withhold payment for any such unsatisfactory Services until such Services are performed to CI's satisfaction.
6. Indemnification. Service Provider hereby covenants and agrees to indemnify CI and the GEF and to defend and hold CI harmless from and against any and all liabilities, damages, costs and expenses (including reasonable attorney's fees) arising out of or resulting from any claim, action or other proceeding (including any proceeding by any of Service Provider's employees, agents or contractors) related to or arising out of the performance of the Services under this Agreement.
7. Relationship of CI and Service Provider. **[CHOOSE (A) OR (B) DEPENDING ON WHETHER SERVICE PROVIDER IS A COMPANY OR AN INDIVIDUAL – DELETE THE PARAGRAPH WHICH DOES NOT APPLY]**
- a. **[IF A COMPANY]** Service Provider is not an employee, agent, or assign of CI or the GEF for any purposes whatsoever. Accordingly, Service Provider shall be solely responsible for all matters relating to the employment of its personnel including, but not limited to, compliance with all applicable workers' compensation, unemployment compensation, and social security laws and with all withholding and all other federal, state and local laws and regulations governing such matters. CI shall not provide Service Provider or its employees with any insurance or other benefits including, but not limited to, unemployment, medical, dental, worker's compensation, and/or disability insurance.
- b. **[IF AN INDIVIDUAL]** Service Provider is performing the Services as an independent contractor of CI and not as an employee, agent or assign of CI or the GEF for any purposes whatsoever including, but not limited to, federal, state, or local taxes, payroll tax or workers' compensation coverage. Accordingly, CI shall not withhold or pay federal, state or local income tax, or payroll tax of any kind on behalf of Service Provider, nor shall CI provide Service Provider with any insurance or other benefits including, but not limited to, unemployment, medical, dental, worker's compensation and/or disability insurance. **Service Provider understands that he/she is responsible to pay, according to law, his/her income, and all other applicable taxes.**
- c. **[APPLICABLE TO BOTH COMPANIES AND INDIVIDUALS]** Service Provider is performing the Services as an independent contractor of CI and not as an officer,

employee, partner or agent of CI, or the GEF. Accordingly, Service Provider has no right or authority to assume or create any obligation of any kind or to make any representation or warranty, whether expressed or implied, on behalf of CI or to bind CI in any respect.

8. Government Officials and Employees. Service Provider hereby certifies that no assistance, payments or anything of value (monetary or non-monetary) shall be made, promised, offered to or accepted by any government employee or official (a) in contravention of any U.S. or other applicable law or regulation including, but not limited to, the U.S. Foreign Corrupt Practices Act; (b) without the express consent of the government for which the employee or official works; and (c) that is not reasonable, *bona fide*, and directly related to the activities funded under this Agreement. It is Service Provider's responsibility to ensure compliance with this clause, and to maintain and provide at CI's request, documentation demonstrating such compliance. Service Provider hereby certifies that no payments or other form of assistance shall be made to or accepted by any government employee or official (x) to influence any official government act or decision; (y) to induce any government employee or official to do or omit to do any act in violation of his or her lawful duty; or (z) to obtain or retain business for, or direct business to any individual or entity. If Service Provider is a government employee or official, Service Provider shall recuse him/herself from any governmental act or decision affecting CI, and shall not influence any governmental act or decision affecting CI. Under no circumstances shall any payments or anything of value be given, made, promised, or offered to any U.S. Federal, State, or local employee or official.
9. Confidential Matters and Proprietary Information. During the course of this Agreement, either party may acquire confidential information or trade secrets of the other ("Confidential Information"). Each party agrees to keep all such Confidential Information in a secure place and further agrees not to publish, communicate, divulge, use, or disclose, directly or indirectly, for its own benefit or for the benefit of another, either during or after the performance of this Agreement, any of the Confidential Information, except as may be required by law or this Agreement. Upon termination or expiration of this Agreement, each party shall deliver all Confidential Information produced or acquired during the performance of this Agreement and all copies thereof to the other. This obligation of confidence shall not apply with respect to information that is (a) available to the receiving party from third parties on an unrestricted basis; (b) independently developed by the receiving party; or (c) disclosed by the other party to others on an unrestricted basis.
10. Intellectual Property

[CHOOSE BETWEEN THE FOLLOWING TWO OPTIONS – NOTE THAT THE FIRST OPTION IS RECOMMENDED]

[CI OWNERSHIP – NO LICENSE TO SERVICE PROVIDER] All work product created, prepared, procured, generated or produced by Service Provider under this Agreement and delivered to CI including, but not limited to, raw or processed data, articles, reports, drawings, computer databases, and all other memoranda (collectively, "Works"), shall belong solely and exclusively to CI. All Works shall be deemed "works made for hire" within the meaning of U.S. copyright law, and CI shall be deemed the author of the Works. If for any reason, any Work is not deemed a "work made for hire," or all rights in and to any Work are deemed not to vest in CI, Service Provider hereby irrevocably assigns and transfers any rights it may retain in and to the Works to CI and waives all its rights, title, and interest in and to the Works, including moral rights. Upon CI's request and at its expense, Service Provider agrees to cooperate with and assist CI in perfecting its rights in and to the Works, including executing appropriate documents.

CI will have the sole right to copyright the Works, except that Service Provider grants to CI a nonexclusive, irrevocable royalty-free license to reproduce, translate, publish, use and dispose of, and to authorize others to so do, all copyrighted or copyrightable material not first produced or prepared by Service Provider in the performance of this Agreement, but which is incorporated in the Works, provided that such license shall be only to the extent that the Service Provider now has, or prior to completion of the Agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant. To the extent that the Works contain any material to which Service Provider does not have the right to grant such

license, Service Provider will assume responsibility for obtaining all necessary rights for use, reproduction, translation, publication and disposition of that material by CI.

OR

[CI OWNERSHIP – LICENSE TO SERVICE PROVIDER TO USE] All work product created, prepared, procured, generated or produced by Service Provider under this Agreement and delivered to CI including, but not limited to, raw or processed data, articles, reports, drawings, computer databases, and all other memoranda (collectively, “Works”), shall belong solely and exclusively to CI. CI hereby grants to Service Provider a nonexclusive, revocable, royalty-free license to reproduce, translate, publish and use, and to authorize others to so do, all copyrightable Works first produced or prepared under this Agreement by Service Provider; provided, however, that Service Provider understands and agrees that this license does not include the right to the first publication of any Works, which right shall belong solely to CI.

CI will have the sole right to copyright such Works, except that Service Provider grants to CI a nonexclusive, irrevocable royalty-free license to reproduce, translate, publish, use and dispose of, and to authorize others to so do, all copyrighted or copyrightable material not first produced or prepared by Service Provider in the performance of this Agreement, but which is incorporated in the Works, provided that such license shall be only to the extent that the Service Provider now has, or prior to completion of the Agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant. To the extent that the Works contain any material to which Service Provider does not have the right to grant such license, Service Provider will assume responsibility for obtaining all necessary rights for use, reproduction, translation, publication and disposition of that material by CI.

[This section stays in regardless of the option chosen above] Service Provider agrees not to make any use of the logo or the name of CI or the GEF, except as expressly authorized in writing. Any approved use of the GCF logo shall be in accordance with the GEF Branding Guide (available at https://www.thegef.org/sites/default/files/documents/GEFBrand_Guidelines_EXT~_0.pdf)

11. CI-GEF Environment Social Management Framework (ESMF) In accordance with CI’s GEF/GCF ESMF (available at [https://www.conservation.org/docs/default-source/gef-documents/ci-gef-environmental-and-social-management-framework-\(esmf\)-version-06](https://www.conservation.org/docs/default-source/gef-documents/ci-gef-environmental-and-social-management-framework-(esmf)-version-06)), the Service Provider hereby represents that in carrying out the Services it will not source natural resource commodities that contribute to significant conversion or degradation of Natural Habitats (as defined in the ESMF). The Service Provider further agrees to cooperate with CI and to provide all information reasonably requested to support the implementation and monitoring of the ESMF to the extent that the provision of Services/Deliverables triggers any environmental and social safeguards described in the ESMF. Service Provider hereby expressly binds itself to include language substantially reflecting the terms of this provision in all subcontracts issued under this Agreement.
12. Security and Safety. Service Provider agrees that s/he has read, understands and shall comply with any applicable security regulations provided by CI, and acknowledges that Service Provider shall be solely responsible for Service Provider’s own safety and physical property or equipment during the performance of this Agreement. **[IN THE EVENT OF HIGH RISK ACTIVITIES, PLEASE CONTACT GCO FOR INCORPORATION OF A RELEASE OF LIABILITY]**
13. Travel. Service Provider shall be solely responsible for any travel arrangements, travel insurance, and all arrangements for visas, passports, or immunizations.
14. Choice of Law; Arbitration. This Agreement shall be construed and enforced in accordance with the laws of the District of Columbia, USA, applicable to contracts fully executed and performed therein and without giving effect to its conflict of laws principles. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration before a single arbitrator in Washington, DC, under the rules of the American Arbitration Association in effect at the time of commencement of the arbitration, and the parties agree that judgment upon the award rendered by the arbitrator shall be final, binding and may be entered in any court having jurisdiction thereof.

15. Compliance with Law; CI Code of Ethics, and the GEF. Service Provider will perform the Services in compliance with (i) the U.S. Foreign Corrupt Practices Act and Office of Foreign Asset Control regulations, as well as (ii) all laws and regulations of the country in which the Services are performed (including, but not limited to, such relating to bribery, corruption, terrorism financing, and equal employment opportunity, as well as all the generally accepted standards applicable to such work) as if such aforementioned laws and regulations directly reached the activities of the Service Provider. Further, Service Provider agrees to perform all Services and to conduct all activities related thereto in accordance with CI's Code of Ethics, a copy of which is attached hereto as Appendix 2 and incorporated by reference.

Service Provider shall provide copies of or provide access to CI, and the GEF, their representatives, and assignees, to inspect, review, or audit any and all records relating to this Services Agreement.

16. Service Provider's Anti-Terrorism Representation and Warranty. Service Provider is hereby notified that U.S. Executive Orders, U.S., and other international law prohibit transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. Service Provider, therefore, represents and warrants that Service Provider has not provided, and will take all reasonable steps to ensure that Service Provider does not and will not knowingly provide, material support or resources to any individual or entity that commits, attempts to commit, advocates, facilitates, or participates in terrorist acts, or has committed, attempted to commit, facilitate, or participated in terrorist acts, and is compliant with all other applicable provisions of such U.S. Executive Orders and U.S. law.

17. Counterparts And Facsimile Signatures.

- a. Each party agrees that the other party may rely on a facsimile copy of the signature of a duly authorized signatory and that upon the exchange of such facsimile signatures, electronically or otherwise, this Agreement shall be binding between the parties whether or not hard copies of this Agreement are ever exchanged between them
- b. This Agreement may be signed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument even though all the parties are not signatories to the original or the same counterpart.

18. Severability. In the event that any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein, unless the deletion of such provision or provisions would result in such a material change so as to cause completion of the transactions contemplated herein to be unreasonable.

19. No Third-Party Beneficiaries. Except as expressly set forth herein, neither party intends that this Agreement shall benefit or create any right or cause of action in or on behalf of any person or entity other than the Service Provider and CI. 20. Non-Assignment. This Agreement shall not be transferred or assigned by Service Provider without prior written consent of CI.

20. Grievance Mechanism. Service Provider is responsible for the implementation and monitoring of the Code of Ethics (Attachment 2). Service Provider shall immediately report any allegations or suspicions of violations of Funding Terms and Conditions (including the Policy on Environmental and Social Safeguards, Prohibited Practices and Code of Ethics available at <https://www.conservation.org/gef/about>) or other Project related grievances. Grievances will be addressed in accordance with the grievance mechanism described in the Project Environmental and Social Management Framework or CI-GEF's Mechanism for Integrity-Related Grievances, as applicable. CI will promptly investigate any grievances submitted to the CI Ethics Hotline. CI will treat complaints as confidential to the extent possible, with the understanding that confidentiality may not be maintained where identification is required by law or to enable CI or law enforcement to conduct an adequate investigation.

Service Provider shall not retaliate against any employee or other person who submit such grievances in good faith. Retaliation is subject to termination of this Agreement and other sanctions, including ineligibility of Service Provider to submit future proposals to CI for GEF-related activities.

Service Provider hereby expressly binds itself to include language substantially reflecting the terms of this provision in all sub-contracts and sub-awards issued under this Agreement.

21. Audit; Financial Review. The Service Provider shall permit CI or the GEF, or any party designated by CI or the GEF, to inspect performance sites and/or the accounts and records of the Service Provider relating to the performance of this Agreement, and to make such accounts and records available to CI or the GEF for review, or to have them audited by auditors appointed by CI or the GEF, if so requested by CI or the GEF.
22. Waiver. Either party may specifically waive any rights under this Agreement by the other party, but no such waiver shall be deemed effective unless in writing, signed by the waiving party, and specifically designating the rights waived. No waiver shall constitute a continuing waiver of similar or other rights.
23. Entire Agreement; Amendments. This Agreement supersedes all prior oral or written agreements between the parties and constitutes the entire Agreement between the parties. Unless indicated otherwise herein, this Agreement may not be amended, supplemented, or modified in any respect except by a written agreement signed by both parties.
24. Notices. Notice under this Agreement shall be deemed to have been sufficiently given either when served personally or when sent by first-class registered mail addressed to the parties at the addresses set forth below.
