Under no circumstances shall any payments or anything of value be given, made, promised or offered to any U.S. Federal, State or local employee or official or any government employee or official in another jurisdiction.
 - ii. Make a representation as evidenced in **Appendix 4** that entering into this Agreement does not breach any of its existing contractual obligations with the relevant government agency or with any third parties, or other rules or regulations applicable to Service Provider as a government employee/official. **Appendix 4** to this Agreement is a letter from the relevant government agency stating that it consents to CI engaging Service Provider to provide the Services and receive the compensation for the Services stipulated under this Agreement.

During the course of this Agreement, either party may acquire confidential information or trade secrets of the other ("Confidential Information"). Each party agrees to keep all such Confidential Information in a secure place, and further agrees not to publish, communicate, divulge, use, or disclose, directly or indirectly, for his own benefit or for the benefit of another, either during or after performance of this Agreement, any of the Confidential

11. Intellectual Property

[CHOOSE BETWEEN THE FOLLOWING TWO OPTIONS – NOTE THAT THE FIRST OPTION IS RECOMMENDED. DELETE THE PARAGRAPHS WHICH DO NOT APPLY.]

[OPTION 1, PREFERRED - CI OWNERSHIP – NO LICENSE TO SERVICE PROVIDER] All work product created, prepared, procured, generated or produced by Service Provider under this Agreement and delivered to CI including, but not limited to, raw or processed data, articles, reports, drawings, computer data bases, and all other memoranda (collectively, “Works”), shall belong solely and exclusively to CI. All Works shall be deemed “works made for hire” within the meaning of U.S. copyright law, and CI shall be deemed the author of the Works. If for any reason, any Work is not deemed a “work made for hire,” or all rights in and to any Work are deemed not to vest in CI, Service Provider hereby irrevocably assigns and transfers any rights it may retain in and to the Works to CI and waives all its rights, title and interest in and to the Works, including moral rights. Upon CI’s request and at its expense, Service Provider agrees to cooperate with and assist CI in perfecting its rights in and to the Works, including executing appropriate documents.

CI shall have the sole right to copyright the Works. Service Provider hereby grants to CI a nonexclusive, irrevocable royalty-free license to reproduce, translate, publish, use and dispose of, and to authorize others to so do, all copyrighted or copyrightable material not first produced or prepared by Service Provider in the performance of this Agreement, but which is incorporated in the Works, provided that such license shall be only to the extent that the Service Provider now has, or prior to completion of the Agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant. To the extent that the Works contain any material to which Service Provider does not have the right to grant such license, Service Provider will assume responsibility for obtaining all necessary rights for use, reproduction, translation, publication and disposition of that material by CI.

[OPTION 2, NOT RECOMMENDED - CI OWNERSHIP – LICENSE TO SERVICE PROVIDER TO USE] All work product created, prepared, procured, generated or produced by Service Provider under this Agreement and delivered to CI including, but not limited to, raw or processed data, articles, reports, drawings, computer data bases, and all other memoranda (collectively, “Works”), shall belong solely and exclusively to CI. CI hereby grants to Service Provider a nonexclusive, revocable, royalty-free license to reproduce, translate, publish and use, and to authorize others to so do, all copyrightable Works first produced or prepared under this Agreement by Service Provider; provided, however, that Service Provider understands and agrees that this license does not include the right to first publication of any Works, which right shall belong solely to CI.

CI shall have the sole right to copyright such Works. Service Provider grants to CI a nonexclusive, irrevocable royalty-free license to reproduce, translate, publish, use and dispose of, and to authorize others to so do, all copyrighted or copyrightable material not first produced or prepared by Service Provider in the performance of this Agreement, but which is incorporated in the Works, provided that such license shall be only to the extent that the Service Provider now has, or prior to completion of the Agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant. To the extent that the Works contain any material to which Service Provider does not have the right to grant such license, Service Provider will assume responsibility for obtaining all necessary rights for use, reproduction, translation, publication and disposition of that material by CI.

12. Security and Safety. Service Provider agrees that s/he has read, understands and shall comply with any applicable security guidance provided by CI, and acknowledges that s/he shall be solely responsible for Service Provider's own safety and physical property or equipment during the performance of this Agreement.
13. Travel. Service Provider shall be solely responsible for any travel arrangements, travel insurance, and all arrangements for visas, passports or immunizations. Service Provider shall adhere to all applicable international, national or local regulations and advisories governing travel, including safety, health and security measures in effect throughout the Term. Where applicable, any individual contractors employed or engaged by Service Provider, assigned with international travel under the terms of this Agreement or engaged in a high risk activity, agree to release and to waive any claim against CI as provided in Appendix 3, Release and Waiver.
14. Choice of Law; Arbitration. This Agreement shall be construed and enforced in accordance with the laws of the District of Columbia, USA, applicable to contracts fully executed and performed therein and without giving effect to its conflict of laws principles. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration before a single arbitrator in Washington, DC, under the rules of the American Arbitration Association in effect at the time of commencement of the arbitration, and the parties agree that judgment upon the award rendered by the arbitrator shall be final, binding and may be entered in any court having jurisdiction thereof.
15. Compliance with Law; CI Code of Ethics; Sexual Exploitation, Abuse and Harassment (SEAH).
 - a. Service Provider will perform the Services in compliance with (i) the U.S. Foreign Corrupt Practices Act and Office of Foreign Asset Control regulations, as well as (ii) all laws and regulations of the country in which the Services are performed (including, but not limited to, such relating to bribery, corruption, terrorism financing and equal employment opportunity, as well as all the generally accepted standards applicable to such work), as if such aforementioned laws and regulations directly reached the activities of the Service Provider. Further, Service Provider agrees to perform all Services and to conduct all activities related thereto in accordance with CI's Code of Ethics, a copy of which is attached hereto as Appendix 2 and incorporated by reference.
 - b. Service Provider shall not directly or indirectly condone, encourage, or tolerate participation, or engagement in any conduct substantially equivalent to Sexual Exploitation, Sexual Abuse, and Sexual Harassment (as defined in CI's Policy on Prevention of Sexual Exploitation, Sexual Abuse, and Sexual Harassment, available at <https://www.conservation.org/about/our-policies/prevention-of-sexual-exploitation-sexual-abuse-and-sexual-harassment>) in carrying out Services hereunder.
16. Service Provider's Anti-Terrorism Representation and Warranty. Service Provider is hereby notified that U.S. Executive Orders and U.S. law prohibit transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. Service Provider, therefore, represents and warrants that Service Provider has not provided, and will take all reasonable steps to ensure that Service Provider does not and will not knowingly provide, material support or resources to any individual or entity that commits, attempts to commit, advocates, facilitates, or participates in terrorist acts, or has committed, attempted to commit, facilitate, or participated in terrorist acts, and is compliant with all other applicable provisions of such U.S. Executive Orders and U.S. law.
16. Counterparts and Facsimile Signatures.
 - a. Each party agrees that the other party may rely on a facsimile copy of the signature of a duly authorized signatory and that upon the exchange of such facsimile signatures, electronically or otherwise, this Agreement shall be binding between the parties whether or not hard copies of this Agreement are ever exchanged between them.

- b. This Agreement may be signed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument even though all the parties are not signatories to the original or the same counterpart.
17. **Severability.** In the event that any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein, unless the deletion of such provision or provisions would result in such a material change so as to cause completion of the transactions contemplated herein to be unreasonable.
18. **No Third-Party Beneficiaries.** Except as expressly set forth herein, neither party intends that this Agreement shall benefit or create any right or cause of action in or on behalf of any person or entity other than the Service Provider and CI.
19. **Non-Assignment.** This Agreement shall not be transferred or assigned by Service Provider without prior written consent of CI.
20. **Waiver.** Either party may specifically waive any rights under this Agreement by the other party, but no such waiver shall be deemed effective unless in writing, signed by the waiving party, and specifically designating the rights waived. No waiver shall constitute a continuing waiver of similar or other rights.
21. **Entire Agreement; Amendments.** This Agreement supersedes all prior oral or written agreements between the parties and constitutes the entire Agreement between the parties. Unless indicated otherwise herein, this Agreement may not be amended, supplemented, or modified in any respect except by written agreement signed by both parties.
22. **Notices.** Notice under this Agreement shall be deemed to have been sufficiently given either when served personally or when sent by first-class registered mail addressed to the parties at the addresses set forth below. CI shall not be liable for, nor shall Service Provider be liable to perform, services or expenses incurred after the receipt of notice or termination.

Attachment 4 :Global Data Processing and Data Security Addendum

This Data Processing Addendum (the “Addendum”) is made as of _____, 20____ (the “Effective Date”), by and between Conservation International Foundation (“CI”), having a principal place of business at 2011 Crystal Drive, Arlington, VA 22202, and _____, whose principal place of business is at _____ (“Supplier”). This Addendum is attached to and forms a part of the agreement(s) set forth on Schedule 1 attached hereto, and any other agreement, statement of work, or service order under which Supplier Processes Personal Data for or on behalf of CI (each, an “Underlying Agreement”). This Addendum supersedes each Underlying Agreement by adding to and modifying such Underlying Agreement as set forth herein. In the event of a conflict or inconsistency between an Underlying Agreement and this Addendum, this Addendum shall govern. The parties agree as follows:

- Definitions. “Data Law” means any applicable data privacy or security law worldwide, including laws in the United States, Canada, Brazil, the European Union, the European Economic Area and their member states, Switzerland and the United Kingdom (including, without limitation, the General Data Protection Regulation (Regulation (EU) 2016/679) (“GDPR”) and the Colorado Privacy Act); “Personal Data” means (i) any information relating to an identified or identifiable natural person that is governed by Data Laws, and (ii) any information defined as “personal data,” “personal information,” or similar term in any applicable Data Law; “Data Subject,” “Controller,” and “Processor” shall have the meaning as defined under applicable Data Law; “Processing” shall mean access to, and use, storage, disclosure, handling, consultation, retrieval, deletion, modification, or other processing of Protected Information; “Protected Information” is CI Personal Data and Proprietary Information; “Proprietary Information” means CI’s confidential information, whether disclosed verbally or in writing or on any kind of media, including project and operational information in relation to collaborating organizations and grantees, donor information, business plans and methods, marketing information, research data, financial information and budgets, licensing, grant and other legal agreements, and other information designated by CI as confidential; “Security Breach” means any unauthorized access, acquisition, use, alteration disclosure, loss or destruction of, or damage to, Protected Information, and/or any compromise of or unauthorized access to a Supplier system, network, or infrastructure that may result in harm

or damage to Protected Information or a CI system, network, or infrastructure, and/or any breach of applicable privacy or data protection law or of this Agreement with respect to the Processing of Protected Information by Supplier; "Supervisory Authority" means a public agency or authority of any country, state, territory, or political subdivision of a country, state or territory, or a person or entity acting under a grant of authority from or under contract with such public agency or authority, that is authorized by law to enforce individual rights with respect to Personal Data, or to oversee, enforce, or monitor compliance with any Data Law.

2. Compliance. The parties agree that, with respect to the Processing of Personal Data as detailed in Schedule 1 hereto, CI is the Controller, and Supplier is the Processor. Supplier will ensure that all access, use, disclosure, and other Processing of Personal Data by Supplier is in accordance with this Addendum and any Underlying Agreement and complies with all applicable Data Laws. Supplier shall notify CI in writing within two (2) business days if it determines that any instruction by CI with respect to Supplier's Processing of Personal Data does not comply with applicable Data Laws. Without prejudice to CI's rights and remedies, if Supplier is unable (or reasonably believes it will become unable) to comply with this Addendum or any Underlying Agreement, Supplier will promptly notify CI in writing within two (2) business days of such circumstances. CI may take reasonable and appropriate steps to stop and remediate unauthorized use of Personal Data by Supplier and to ensure Personal Data is used by Supplier in a manner consistent with its obligations under Data Laws. Without limiting the foregoing, upon written notice from CI, Supplier will immediately cease processing Protected Information if, in CI's reasonable opinion such processing is unauthorized or violates any Data Law.

3. Limitations on Processing and Disclosure.

3.1 Permissible Processing.

(a) Supplier may not Process Personal Data for any purpose other than as set forth in Schedule 1 or in any manner that would be a violation of any Data Law. The initial nature and purpose of the Processing, duration of the Processing, categories of Data Subjects, and types of Personal Data are set forth on Schedule 1.

(b) Supplier may not disclose Personal Data to any third party unless: (1) the disclosure is expressly permitted pursuant to the terms of this Addendum, or (2) CI authorizes in writing the transfer of such Personal Data to such third party.

(c) Supplier shall not transfer Personal Data outside the country specified on Schedule 1 without CI's prior written approval.

3.2 Onward Transfers. Schedule 1 hereto sets forth each subcontractor of Supplier (including any affiliate) that Processes Personal Data that was received or created by or on behalf of Supplier pursuant to an Underlying Agreement with CI. Supplier shall notify CI of any changes to the listed subcontractors during the term of the Underlying Agreement(s), and CI shall approve any such changes in writing before any such subcontractor is permitted to process any such Personal Data. If CI notifies Supplier in writing of any objections (on reasonable grounds) to the proposed appointment of a subcontractor, then Supplier shall not appoint or disclose any Protected Information to the proposed subcontractor until reasonable steps have been taken to address the reasonable objections raised by CI. If the parties are unable to reach a mutually acceptable resolution within a reasonable timeframe, CI may, as its sole and exclusive remedy, terminate the Underlying Agreement and/or this Addendum by providing written notice to Supplier. Supplier may only subcontract or outsource the processing of Personal Data if Supplier has imposed on the subcontractor legally

binding contractual terms that require the subcontractor to provide at least the same level of protection for the Personal Data as set forth in this Addendum. Supplier will perform reasonable ongoing reviews of all such subcontractors on not less than an annual basis to ensure such subcontractors maintain capabilities adequate to perform all such requirements and obligations and have not failed to comply with all such requirements and obligations. Upon request by CI, Supplier will provide CI or any of its subcontractors with the results of any such review and confirm compliance with this Section. Any Processing or other act or omission by any person that obtains access to or possession of Personal Data through Supplier that would be a breach of this Addendum if committed by Supplier is deemed a breach of this Addendum by Supplier for which Supplier shall be responsible. Supplier agrees, upon CI's request, to provide CI with details of any subcontractors who process Personal Data, including the subcontracting activities they fulfill, their locations and/or where they Process Personal Data, and a copy of the data protection and privacy terms within Supplier's written agreement with such subcontractors.

3.3 Cooperation. Supplier agrees to cooperate with and assist CI, at no additional cost to CI, in responding without undue delay to any requests, complaints, or inquiries from a Data Subject, including from Data Subjects exercising their rights of access, correction, data portability, deletion and/or to opt-out of the sale of Personal Data or Processing for the purposes of targeted advertising or profiling under applicable Data Laws. In the event that a Data Subject contacts Supplier directly, Supplier agrees to direct the Data Subject to contact CI and Supplier shall forward the request to CI promptly (and in any event within five (5) days of receipt). Supplier agrees to cooperate with and assist CI, at no additional cost to CI, to enable CI to comply with all requests from a Supervisory Authority, including but not limited to in the event of an investigation.

3.4 Legal Obligation. If Supplier is required by law or receives any order, demand, warrant or any other document requesting or purporting to compel the production of Personal Data (such as oral questions, interrogatories, requests for information or documents in legal proceedings, subpoenas, civil investigative demands or other similar processes), Supplier shall, except to the extent prohibited by law, immediately notify CI and shall not produce the Protected Information for at least forty-eight (48) hours following such notice to CI so that CI may, at its own expense, exercise such rights as it may have under law to prevent or limit such disclosure. In addition to the foregoing, Supplier shall exercise commercially reasonable efforts to prevent and limit any such disclosure to the Personal Data necessary to respond to such request and to otherwise preserve the confidentiality of the Personal Data, and shall cooperate with CI with respect to any action taken with respect to such request, complaint, order or other document, including to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded to the Personal Data.

3.5 Records. Supplier shall maintain records sufficient to demonstrate its compliance with its obligations under this Addendum and applicable Data Laws, and retain such records for a period of three (3) years after the termination of the Underlying Agreement. CI shall, with reasonable notice to Supplier, have the right to review, audit and copy such records at Supplier's offices during regular business hours.

4. Data Security. Supplier represents and warrants that it (i) has implemented and maintains appropriate and reasonable physical, technical, and organizational measures to protect Protected Information against: (1) accidental or unlawful destruction, (2) accidental loss, (3) alteration, and (4) unauthorized disclosure or access, (ii) its technical and organizational measures

are such that its processing of Protected Information complies with all Data Laws, and (iii) has an information security program in place to safeguard Protected Information and such information security program is commensurate with and complies with applicable industry standards and any applicable Data Law. Supplier shall meet or exceed the information security standards set forth in Schedule 2 hereto with respect to all Protected Information processed in performing under the Underlying Agreement.

In cases where CI allows Supplier to connect its network or systems to CI's network, Supplier shall only use such access for the purpose of performing its obligations under the Underlying Agreement and for no other purpose. Supplier shall follow all instructions and comply with all policies of CI with respect to such access and use that are provided to Supplier in writing. Supplier shall ensure that no employee or individual who is permitted access to CI's network or computing resources through Supplier (i) shares his or her password or account access with any other party, (ii) introduces unauthorized files onto CI's system, or (iii) attempts to access CI information or applications other than those expressly authorized by CI. CI shall be permitted to disconnect or terminate Supplier's access immediately, without notice, upon CI learning of any violation of this Addendum or other misuse of the system by Supplier or its employees or representatives. Supplier shall immediately notify CI if an employee or representative of Supplier with access to CI networking or computing resources no longer requires such access, including as a result of a change of assignment or employment status.

5. **Audit.** Upon CI's request, Supplier shall provide CI with a copy of Supplier's most recent audit report regarding Supplier's data security program. Supplier will respond within a reasonable time period to any inquiries from CI relating to Supplier's data security program. Supplier will, upon CI's request, provide CI or CI's representatives access to Supplier's systems and records that involve or are related to any processing of Protected Information so that an audit may be conducted. CI will not exercise such audit right more frequently than once per twelve (12) month period and CI will bear the full cost and expense of any such audit, except in the event of a Security Breach or a breach of this Addendum and/or Underlying Agreement, in which case CI or CI's representatives may conduct an audit within the then-current twelve (12) month period and Supplier will bear the full cost and expense of such audit.

6. **Incident Response.** Supplier shall notify CI immediately in writing upon (and in no event more than twenty-four (24) hours after) learning of any actual or suspected Security Breach. Such notice shall include detailed information regarding the nature and scope of the Security Breach, the categories and approximate number of Data Subjects affected, the categories and approximate number of Protected Information affected, any reports to law enforcement related to the Security Breach, the actual or suspected cause of the Security Breach, the measures being taken by Supplier to investigate the Security Breach, correct or mitigate the Security Breach, and prevent future Security Breaches. Supplier agrees to update CI as additional relevant information becomes available. Supplier, at no additional cost to CI, shall provide reasonable assistance to, and shall cooperate with all reasonable requests of, CI to investigate and mitigate any Security Breach. Supplier agrees that any decision to notify Data Subjects or any Supervisory Authority of the Security Breach shall be in CI's sole discretion and CI shall have sole control over the timing, content and method of notification if CI decides notification is necessary. Supplier shall reimburse CI for all costs and expenses incurred by CI in responding to and mitigating damages caused by a Security Breach, including but not limited to attorneys' fees, costs of forensic investigation

services, regulatory fines and penalties and other costs imposed by Supervisory Authorities, and the costs of offering credit monitoring, identity monitoring and identify theft restoration services and notice and engaging in other remediation efforts. Without limiting any other rights of CI under this Agreement, CI may at its discretion immediately terminate the Underlying Agreement and this Addendum as a result of a Security Breach.

7. **Impact Assessments.** Supplier will assist CI in ensuring compliance with any obligations of CI with respect to data protection impact assessments and prior consultation.

8. **Cross-Border Transfers.** If Supplier processes Personal Data regarding residents of the European Economic Area ("EEA") in providing services to CI under the Underlying Agreement, Supplier and CI agree that any cross-border transfer will be governed by the European Commission Standard Contractual Clauses (Controller to Processor) ("Standard Clauses") as annexed to EU Commission Decision 2021/914 of June 4, 2021 or subsequently adopted SCC by EU Commission Decision with CI or comply with another cross-border data transfer mechanism deemed compliant by the European Commission, to allow Personal Data to be transferred to Supplier and any affiliate or subcontractor of Supplier by CI. In such event, the Standard Clauses are hereby incorporated into this Addendum and Underlying Agreement and are completed as follows: "Data Exporter" is CI; "Data Importer" is the Supplier; Clause 7 is omitted; Sub-processor must be approved by CI on an individual prior and written basis (giving 15 business days prior notice); the governing law and venue shall be those/that of the EU member country where the data originates; Annex I B shall be completed with information contained in Schedule 1. In the event of a conflict between the Standard Clauses and this Addendum or the Underlying Agreement, the Standard Clauses shall prevail as to Personal Data subject to protection under the GDPR.

9. **Miscellaneous.**

9.1 **Liability and Indemnification.** Supplier shall defend, indemnify, and hold harmless CI, and CI's subsidiaries, affiliates, and their respective officers, directors, employees, agents, successors, and assigns (each, a "CI Indemnitee") from and against all losses, damages, liabilities, deficiencies, actions, judgments, interest, awards, penalties, fines, costs or expenses of whatever kind, including reasonable attorneys' fees, arising out of or resulting from any claim against any CI Indemnitee arising out of or resulting from Supplier's failure to comply with its obligations (ii) under this Addendum, including without limitation any failure to comply with its obligations under the Standard Clauses if entered into by the Parties, or (ii) under any applicable Data Law. No limitation of liability provision in any Underlying Agreement shall apply to this Addendum.

9.2 **Insurance.** Through the term of this Addendum and for at least three (3) years thereafter for any insurance written on a claims-made basis, Supplier shall obtain and maintain privacy and cyber security insurance coverage providing standard comprehensive first-party and third-party (liability) coverages, with third-party coverage limits of not less than \$1,000,000 for each claim and \$3,000,000 in the aggregate. Supplier shall provide CI with a certificate of insurance evidencing the required insurance naming CI as an additional insured with respect to any claims that arise from Suppliers acts or omissions in connection with the processing of personal data for or on behalf of CI.

9.3 **Term and Termination.** The term of this Addendum shall run concurrently with the term of the Underlying Agreement, unless this Addendum is sooner terminated in accordance with this Section 9.3. In the event that Supplier breaches any of its

obligations under this Addendum, CI may terminate this Addendum if such breach is not cured by Supplier within thirty (30) days after receipt of written notice of such breach from CI, provided that CI may terminate this Addendum immediately upon written notice to Supplier if CI determines in its discretion that the breach is not capable of cure. Upon the expiration or termination of this Addendum, Supplier shall cease Processing Protected Information and shall require all its affiliates and subcontractors to cease Processing Protected Information. Following expiration or termination of this Addendum, Supplier shall promptly, and in any event within thirty (30) days from the effective date of termination or expiration, return, or, at CI's request, delete (with written certification of deletion), all Protected Information, including copies thereof, in Supplier's control or possession and all Protected Information in the possession of Supplier's affiliates and subcontractors. In the event applicable laws prevent Supplier from returning or deleting Protected Information, Supplier represents, warrants and agrees that it will continue to comply with the confidentiality and privacy obligations under this Addendum until it is no longer in possession of Protected Information.

9.4 Governing Law and Venue. This Addendum shall be governed by the laws of the District of Columbia, without regard to the principles of conflicts of laws. The Parties agree that any claims

relating directly or indirectly to this Addendum shall be brought before court of competent jurisdiction in the District of Columbia. The Parties hereby consent to and waive any objection to personal jurisdiction in those courts.

9.5 Survival. Paragraphs 1, 3.5, 6, and 9 shall survive the termination of this Addendum.

9.6 Miscellaneous. This Addendum may not be amended or modified, in whole or part, except by a writing signed by duly authorized representative of both parties. No provision or part of this Addendum or remedy hereunder may be waived except by a writing signed by a duly authorized representative of the Party making the waiver. Failure or delay by either party to enforce any provision of this Addendum will not be deemed a waiver of future enforcement of that or any other provision. Nothing in this Addendum shall be construed to place the parties in an agency, employment, franchise, joint venture, or partnership relationship. Neither party will have the authority to obligate or bind the other in any manner, and nothing herein contained shall give rise or is intended to give rise to any rights of any kind to any third parties. In the event that any provision of this Addendum is found to be unenforceable, such provision will be reformed only to the extent necessary to make it enforceable, and such provision as so reformed will continue in effect, to the extent consistent with the intent of the parties as of the Effective Date.

IN WITNESS WHEREOF, the parties hereto have executed this Addendum effective as of the Effective Date. Each party acknowledges that it has read this Addendum, understands it, and will be bound by its terms.
