

RFP Titled Terminal Evaluation (TE) for the “The Systems Change Lab (SCL): Accelerating Transformational Change Needed to Safeguard the Global Commons for All” project.

RFP No. GEF- SCL -FY24-008

Clarifications

Distributed on: 30/5/2024

| General | |
|--|--|
| 1. Will the evaluation require in-country data collection? If so, does CI have preference for countries in which this should happen? | This project is a global project, hence there will be no in-country data collection. |
| 2. Are interviews expected to be face-to-face or are remote interviews accepted? | Remote interviews are accepted. |
