Title: Detailed Cost Model for Samoa Marine Protected Areas in the Samoa Ocean Strategy

RFP No: SOS-001-2023

Date of Issuance: [March 21, 2023](#)

1. Background

Conservation International (CI), is committed to helping societies adopt a more sustainable approach to development, one that considers and values nature at every turn and improves human well-being through the conservation of healthy ecosystems and the goods and services they provide.

The [Samoa Ocean Strategy \(SOS\)](#) outlines a pathway towards the sustainable management of Samoa's ocean and marine resources. The SOS outlines the necessary steps to advance ocean priorities with government and other stakeholders and provides a platform for engagement of all relevant partners and donors, international organizations, private sector, civil society and communities. It is intended that this Strategy will catalyze and inspire cooperative efforts to improve the management of Samoa's ocean for its communities and their sustainable economic growth.

The Strategy is the Government of Samoa's overarching framework for the integrated management of its sovereign waters and all living and nonliving marine resources through to the year 2030. It embraces global and regional initiatives, science-based knowledge and traditional knowledge as key management tools and resources. It acknowledges that the economic, social and cultural benefits people rely on are dependent on ocean health. It also recognizes how climate adaptation and mitigation benefits of marine and coastal ecosystems support resilience and reduce vulnerability. Furthermore, it acknowledges the full array of interactions within an ecosystem, including humans, rather than considering single issues, species, or ecosystem services in isolation.

The SOS was launched in 2020 and an MoU was signed between the Government of Samoa, Conservation International (CI), and the Blue Prosperity Coalition in order to support the implementation of the SOS to achieve 100% management and at least 30% full protection of Samoa's Ocean by 2025. The 5-year program of work under the MoU focuses on implementing key areas of the SOS selected from the integrated management solutions. Currently, CI, together with the Government of Samoa and the Blue Prosperity Coalition, is implementing the following integrated management solutions:

- Create a National Ocean Steering Committee
- Develop Sustainable Ocean Financing Mechanisms
- Strengthen monitoring, control, surveillance and enforcement across Samoa's ocean
- Strengthen the national MPA Network
- Establish effective protection and management of endangered marine migratory species

2. Project Overview

In order to best inform analysis and design of key elements of the Samoa Ocean Strategy (SOS), an analysis of the estimated costs of managing Samoa's near and offshore marine protected areas (both existing and proposed) is required. The initial cost model will include high-level estimates of cost structures for the MPAs in the Samoa Ocean Strategy, covering fixed and variable costs for both existing and proposed MPAs, and potentially for other supporting activities such as cultural programs, capacity building or learning exchanges. As appropriate, the analysis

may include high-level cost projections related to new, expanded, or upgraded MPAs or include basic vs. best practice scenarios in order to better understand the range of applicable costs.

Cost estimates will be collected from an initial desk review as well as in-depth stakeholder interviews. Relevant documents to be reviewed will include but are not limited to: the Samoa Marine Spatial Plan (MSP) and any associated policy/action documents, any relevant national conservation policy documents (e.g., National Biodiversity Strategy and Action Plan); relevant government budget and line agency financial reports; and key memos or notes regarding current or planned approaches to Samoa MPA management and general marine protection, management and conservation.

Any violations of the Code of Ethics should be reported to CI via its Ethics Hotline at www.ci.ethicspoint.com.

CI relies on the personal integrity, good judgment and common sense of all third parties acting on behalf, or providing services to the organization, to deal with issues not expressly addressed by the Code or as noted below.

Integrity:

- Act in good faith, responsibly, with due care, competence and diligence and maintain the highest professional standards at all times.
- Comply with all contractual terms as well as all applicable laws, rules and regulations, domestic and international, in every country where Services are carried out.
- Provide true representation of all Services performed.
- Never engage in any of the following acts: falsification of business document or receipts, theft, embezzlement, diversion of funds, bribery, or fraud.

Transparency:

- Avoid conflicts of interest and not allow independent judgment to be compromised.
- Not accept gifts or favors from sub-contractors, suppliers or other 3rd parties that would negatively impact the provision of Services to CI.

Accountability:

- Disclose to CI, at the earliest opportunity, any information you have or become aware of, that may result in a real or perceived conflict of interest or impropriety.
- Implement activities, provide Services, and manage staff and operations in a professionally sound manner, with knowledge and wisdom with the goal of a successful outcome per the terms of this Agreement.

Confidentiality:

- Not disclose confidential or sensitive information obtained during the course of your work with CI.
- Protect confidential relationships between CI and other 3rd parties.

Mutual Respect and Collaboration:

- Engage with indigenous peoples and local communities in which CI works in a positive and constructive manner that respects the culture, laws, and practices of those communities, with due regard for the right of free, prior and informed consent.

I hereby acknowledge receipt of CI's Code of Ethics and certify agreement and compliance therewith.

*For any international travel I hereby confirm that I am considered fully vaccinated against COVID-19 and other relevant vaccine-preventable diseases in accordance with CDC Travelers Health Recommendations.

1. I understand and acknowledge that I am not an agent or employee of CI, that I have no authority to bind CI, or make representations on CI's behalf. I voluntarily agree to enter into this Release, Waiver of Liability and Consent to Medical Treatment to govern the terms of my participation in the Program.
2. I understand and acknowledge and accept that my participation in the Program may involve risks and dangers that could result in damage to or loss of personal property, personal injury or loss of life. These risks include, but are not limited to, travel to, within and from rustic and/or remote areas, under rugged conditions, by plane, helicopter, truck, bus, passenger vehicle, boat and other modes of transportation; a lack of adequate or immediately available medical care; forces of nature, unpredictable weather, dangerous wildlife; unstable political conditions and armed conflicts; unsanitary conditions; disease; scuba diving; tree climbing; and dangers that no amount of care, caution or experience can eliminate.
3. Having read and understood the terms of this Release and Waiver of Liability and in consideration of my participation in the Program I for myself, my spouse, family, heirs, executors, administrators, and legal representatives HEREBY UNCONDITIONALLY AND FULLY RELEASE, WAIVE AND FOREVER DISCHARGE Conservation International Foundation, its officers, directors, agents, affiliates, employees, and members (collectively, "Releasees"), from any and every claim, liability, suit, debt, controversy, or dispute (including attorneys' fees and costs), of whatever kind or nature, either in law or in equity, related to, resulting directly or indirectly from, or in any way connected with my participation in the Program [, whether due to the fault or negligence of Releasees, circumstances beyond Releasees' control, or otherwise. I understand and agree that Releasees have not expressly or impliedly assumed any duty or obligation toward me or associated with my participation in the Program.
4. I EXPRESSLY AND VOLUNTARILY ASSUME ALL RISK growing out of, incidental to, related to, resulting directly or indirectly from, or in any way connected with my participation in the Program whether due to the fault or negligence of Releasees, circumstances beyond Releasees' control, or otherwise, and including, but not limited to, my own activities before, during, and/or after the Program.
5. I further release Releasees and all other officials or professional personnel from any claim, liability, suit, debt, controversy, or dispute (including attorneys' fees and costs), of whatever kind or nature, either in law or in equity, on account of first aid, medical treatment or other health-related services rendered to me during my participation in the Program, and I shall assume full responsibility for payment of any such aid, medical treatment or other services so rendered.
6. I agree to indemnify Releasees from any loss, liability, damage or cost, including attorneys' fees and costs, they may incur growing out of, incidental to, related to, resulting directly or indirectly from, or in any way connected with my participation in the Program.

7. I understand and agree that, except as otherwise agreed to by CI in writing, the Releasees do not provide, carry, or maintain medical insurance and insurance coverage for claims related to bodily injury, loss of life, property damage, and/or economic damage to cover my participation in the Program.
